THE LINCOLN ASSASSINATION. -Ben. Pitman, the well known phonographer of Cincinnati, was interviewed yesterday as to his personal knowledge concerning the trial and execution of Mrs. Surratt for the assassination of Abraham Lincoln. His attention was first called to the statement of John T. Ford, theatrical manager, relative to the innocence of Mrs. Surratt, and in answer to questions, Pit. man communicated the following information: He said he was the official reporter of the U. S. Government in the assassination trial, the Sons of Liberty investigation, and the Congressional inquiries into the New Orleans and Memphis riots, and subsequently of the kuklux trials, all of which gave him peculiar insight into the unwritten history of those momentous events. I have no doubt, said Pitman, of the correctness of Mr. Ford's statements of Mrs. Surratt's innocence. The grave blunders which grew out of the assassin that line; and Eastward, to Richmond and ation trial were due to the theory Stanton South. At Lynchburg, connects with Atlantic, entertained. Booth was an active instrument Miss. & Ohio R. R. through Southwest Virginia in the great conspiracy, the dictatory power of which was the Rebel Government. Mrs. Rock and Texas—and at Danville, with R. & D. which was the Rebel Government. Mrs. Surratt was hanged for complicity, of which she was entirely ignorant, and poor Spangler to the Dry Tortugas because a long. was sent to the Dry Tortugas because a long rope was found in his carpet sack with which it was supposed Lincoln was to be bound, when, in fact, no other use was to be made of it than the catching of crabs. Spangler had simply borrowed the rope from Ford's Theatre for that purpose.
